

Online & Database Services

Impact Artist Promotions (IAP) posts full-text news releases to major Internet portals, search engines, web sites, financial services and database systems. IAP news is also carried by major syndicators and is posted to industry, newspaper and other targeted websites providing comprehensive direct reach to consumers, investors, media and other target audiences.

This is only a broad sample list to give you a general idea of coverage. Local, regional and industry-specific portals may not be included.
